Malhar Packaging Industries

Strength in Every Fold, Assurance in Every Package

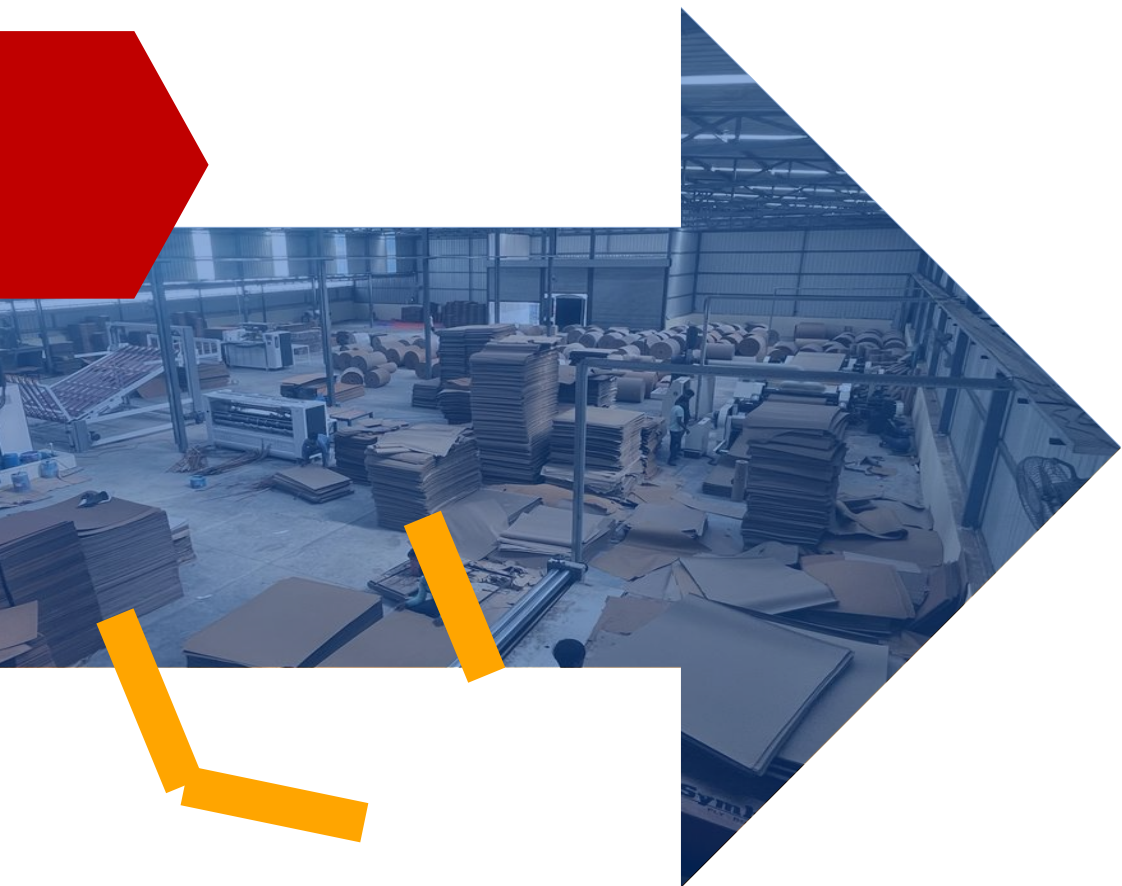

About Our Company

Founded in July 2015 in Pune, India, Malhar Packaging Industries is a leading manufacturer specializing in heavy-duty corrugated boxes and diverse packaging solutions. Our top-quality products include corrugated boxes, sheets, rolls, and essential materials like stretch film, air bubble roll, BOPP tape, mask tape, PP/bubble bags, PP strapping, and MS clip & angle board. Committed to excellence, we ensure stringent quality standards and offer customer-centric, tailored solutions. Our state-of-the-art facility employs cutting-edge technology, emphasizing innovation and efficiency. With a focus on environmental responsibility, we incorporate sustainable practices and recyclable materials. Choose us for comprehensive packaging solutions that go beyond protection, safeguarding your products and enhancing your brand.

Our Vision

Redefining standards in the packaging industry, we aspire to be recognized for delivering top-quality solutions. Our vision is fueled by a commitment to innovation, excellence, and a relentless pursuit of customer satisfaction, setting new benchmarks in the world of packaging solutions.

Our Mission

At Malhar Packaging Industries, we aim to deliver tailored, high-quality packaging through innovation and customer focus.

Our Commitment

Dedicated to excellence, we prioritize quality assurance at every stage of our manufacturing process. Our customer-centric philosophy ensures tailored solutions, and our state-of-the-art facility integrates cutting-edge technology to meet diverse industry needs. Beyond innovation, we are environmentally responsible, promoting sustainable practices and recyclable materials.
